ORGANIZE YOUR TRIP WITH US

Uplift Adventures is a professional guiding service based in Waterton Lakes National Park, Castle Provincial Parks, and Crowsnest Pass. We are nestled within the mountainous region of the South Canadian Rockies and the Crown of the Continent. In Waterton Lakes National Park, we operate under the name Waterton Tours.

Our unique experiences are led by local experts who are professionally certified and share a passion for this landscape and conservation. We ensure that our passion is passed on to each visitor seeking a fulfilling and enriching experience. Summer and winter tours focus on place-based experiences where we share our knowledge about history, nature, or culture. Private and customized half and full day tours are available year-round.
